Mr. Dan Davidson founded **Dabmar Lighting, Inc.** in 1990. Dan, a then successful certified and licensed electrical contractor, began his visionary journey in the lighting industry by providing energy efficient ceiling and wall lighting fixtures to the California marketplace. **Dabmar Lighting** has become one of the most respected names in lighting across the United States and beyond. While competitors extend their delivery time, **Dabmar Lighting** responds to customer needs with available inventory on the majority of cataloged items. **Dabmar Lighting** has the ability to ship same day from its 2 warehouses, conveniently located in Southern California and Central Florida. Historically, **Dabmar Lighting** has been recognized as the source with the ***Lowest Prices For The Best Quality Product*** in the nation. Today, **Dabmar Lighting** is a leading manufacturer of high quality LED outdoor fixtures for residential, commercial and industrial use. The full product line includes many styles of 12 and 120 Volt Landscape Lighting, Decorative Posts and Post Lights, a large selection of Commercial Bollards, Outdoor Wall Fixtures and a huge selection of replacement parts.
